TO: All 100th Picnic Hosts

Dear Friends:

I am returning your negatives and most of your photos. I have kept some photos to put in the club scrapbook so that we have a nice photographic record of our celebrations.

Thank you all for doing so much work to make these days successful for so many of our club members throughout the country. As you are all aware by now, you will get your reward in heaven! If you're lucky! Seriously, I hope your reward is in knowing that you made it possible for Griffon owners to be together on this big day in the history of our breed.

The best to each of you, and your families,

Joan

P.S. I will have a notice either in the October GDS or December, telling people who attended the picnics to contact you for photos.

9/10/88

Thank you for your contributions to help w/ Minting Out GDS.

Am fairly well organized for Germany, but now I have to practice reading my speech in German!! Am REALLY getting excited now! Wish you were all going with us. Hopefully I will have a video to bring to Idaho 10/12. The Spring fest, to show everyone on our Sat. night dinner

I held this until I had time to go thru the Idaho photos & keep the ones I wanted for scrapbook.

Two years in the planning & now it's
about to be a reality! Warren & Helen
Webster left Aug 23rd; Jo Nadeke leaves
today; my roommate, Silke Alberts leaves
Monday; a bunch leaves on the 19th;
& the rest of us leave on the 22nd!

Auf Wiedersehen & love,
Joan

P.S. I asked Bill & Mary Barnett to send
you a copy of their photo of the
lake, as I thought theirs was the best one.
